

# 2085 lodge bulletin.

*Dear Members,*

As we enter the final month of the year, I want to take a moment to reflect on all that we've accomplished together in 2025. From our community events and fundraisers to our lodge gatherings and charitable efforts, each of you has contributed to making the Bordentown Elks Lodge a place of friendship, service, and pride.

The holiday season reminds us what being an Elk is all about — giving back, lending a helping hand, and sharing joy with those who need it most. Whether it's supporting our veterans, helping local families in need, or spreading holiday cheer within our lodge, every act of kindness strengthens the spirit of Elkdom.

Please join us for our Annual Memorial Service on December 7<sup>th</sup> as we come together to honor and remember our absent members. It's a meaningful tradition that reminds us of the bonds we share and the lasting impact of those who came before us.

Be sure to stop by the lodge this month and take part in the festivities! Our **Comfy Countdown NYE Party** will be held on New Year's Eve — **tickets are \$30 per person**, and you can **RSVP to me by December 15<sup>th</sup>**. Also, don't forget to **grab your lodge ornaments from the Antlers** and **take a tag from the Giving Tree** to help make someone's holiday a little brighter.

I encourage everyone to take part in our upcoming holiday events and volunteer opportunities. Let's close out the year by celebrating together and looking forward to all we'll achieve in the new year ahead.

Thank you for your continued dedication and generosity. Wishing you and your families a safe, happy, and heartwarming holiday season!

*Fraternally,*

**STEPHANIE KOWALSKI**

# Leading Knight's MESSAGE

"The real benefactors of mankind count their store in what is given, not in what is saved." This may sound familiar to many of you, it is part of the reading from the Station of the Esteemed Leading Knight at the time of initiation. It emphasizes the virtue of Charity.

During this wonderful time of year, the lodge has many great events and collections. Let's not forget why we became Elks and support those who are around us. The smallest kind deeds can be more meaningful than we may realize. If you have not supported our holiday drives in the past, jump in if you can, your kindness will not only enrich your life but bring a smile to others as well. To all who continually support our lodge and our community, you continue to be stars of guiding light above our altar, and we thank you. This year, safely celebrate your holidays, join your friends and family in the lodge lounge and be sure to enjoy a delicious Winter White Cosmo or Chocolate Peppermint Martini, our December Drinks of the Month.

Happy Holidays to all!  
Scott Walter, PER, Leading Knight

## Chaplain's Corner

Each year, on the first Sunday of December, Elks Lodges across the nation pause in solemn remembrance to honor our departed members.

The Elks Memorial Service stands as a timeless tradition—an opportunity for reflection and gratitude, reminding us that our absent Members are never truly gone, but live on in our hearts and memories.

This heartfelt ceremony, conducted by our Past Exalted Rulers and Lodge Officers, pays tribute to the lives and legacies of those we have lost this year.

We invite you to join us on Sunday, December 7, 2025, at 11:00 a.m. as we gather in reverence and remembrance for our annual Elks Memorial Service.

To our absent member – **Clinton Rockhill Jr.**

The Veterans Committee is collecting toys for **Toys for Tots!** Donations must be received by **December 5.** Please help make the holidays brighter for children in need by dropping off a new, unwrapped toy at the Lodge.

The Committee partnered again with **Wreaths Across America** to lay wreaths at BG William C. Doyle Veterans Memorial Cemetery. Orders were due December 1<sup>st</sup>. We welcome you to join us on December 13<sup>th</sup>.

# Special Children's Committee

The Special Children's Committee is reaching out to our Lodge community for help. Thanks to the generosity of our members and supporters, we have been very successful in raising funds for a wide variety of activities designed to bring joy and opportunity to local children. However, we are now facing a unique challenge—we are running out of kids to participate.

The SCC proudly sponsors bowling outings, baseball games, and the unforgettable experience of attending Elks Camp Moore. These programs provide meaningful, memory-making moments for children with special needs, but we need help identifying eligible children who would benefit.

If you know of any special children or families in our area who might enjoy these activities, please send them our way. Your referral could open the door to an amazing experience for a child who needs it.

Let's work together to ensure every child who could benefit has the chance to participate. Together we continue making a difference—one child at a time.

## Elks Camp Moore Applications

The application portal for Elks Camp Moore is officially open.

If you would like to refer a child, Kyle is ready to assist with the process with the necessary passcodes and an easy set of instructions to help families begin their application smoothly.
